## Call for Applications!

The Lowe Art Museum seeks four Gallery Guide interns during the Fall 2024 semester to lead guided tours for K-12 and University audiences, support academic workshops, and conduct research on artworks and objects from the museum's collection. Gallery Guides are supported by an extensive 4-week period of training, coaching, and in-gallery experiences to hone creative teaching practices that combine museum education methods and art history with their unique interests, personalities, and backgrounds.

Interns earn three college credit hours towards their degree by signing up for a relevant course. Please check with your department for specific requirements. The time commitment is approximately 10 hours per week, totaling 120 hours for the semester.
